Parking Presentation and Resolution for Downtown Parking Deck.

Asst. City Manager Gacioch summarized the recommendation from the Downtown Parking Committee which was formed in early 2015 to determine potential locations for a parking deck. After a study and investigation into the best location, preliminary walk throughs removed lots 9 and 10 from consideration, with lots 6 (West Troy) and 11 (City Hall) being left as the best possibilities.

The West Troy lot structure would offer four levels parking going up, with 389 spaces at 325 sq. ft. per space. The City Hall lot structure would offer 5 levels to get the same amount of parking, with potential commercial development, with 361 spaces at 346 sq. ft. per. space, and would cost more to construct.

Lot 6 currently has 138 parking spaces, and lot 11 currently has 96.

Asst. City Manager Gacioch noted both foundations have similar soil structure. He indicated that Administration had approached Gibbs Planning who evaluated the proposed structure for compliance with the upcoming revision to the Master Land Use Plan, which involves density and mixed use potential. Although both locations were projected to spark short term development the west side best addresses parking need and would best handle a possible economic downturn. Footprint of lot 6 is longer to achieve more parking with one less level. It was suggested that providing residential buffer on Allen could help to soften the experience for existing residents.

Discussion ensued regarding capacity issues with the current system, funding outlets, the importance of collaboration with the DDA and City, prospective tenants for the new structures, concentric parking plans, the feasibility of leasing Credit Union One's structure, and a shuttle service for employees.

If the board approves the next steps are to take the site recommendation to the Planning Commission and City Council.

Moved by Director Smith, seconded by Director Hennes, to approve the recommendation of the downtown committee regarding the plans for the future development of a parking structure in the downtown.

AYES: All NAYS: None MOTION CARRIED

Call to committees and staff -

Director Johnston noted the importance of communication during the parking deck building project and suggested closing part of East Nine Mile during construction to offer more parking.

Chair Bach suggested erecting a pavilion over one of the existing parking lots to enclose the space for events and possibly a farmer's market.

Moved by Director Raska, seconded by Director Lane to adjourn meeting.

AYES: All NAYS: None MOTION CARRIED

The meeting was adjourned at 8:59am.

#### **CONSENT AGENDA** II.

- A. Financial Reports
- B. DDA Staff/Committees Report Motion by Director Cupples, seconded by Director Johnston to approve the consent agenda as presented. All Ayes, motion carries.

#### **CALL TO AUDIENCE** III.

None

#### IV. **COMMUNITY ORGANIZATION REPORTS**

#### A. Chamber of Commerce

McMillan

The Chamber has completed their move from 407 E. 9 Mile into the main level of the Credit Union One branch and are utilizing Renaissance Vineyard Church for excess storage. The annual Gala is tonight at the Rust Belt Market and tickets are available at the door. The new Chamber directory will be coming out next month.

B. Woodward Avenue Action Association (WA3) No report available. Chair Bach inquired as to how the RTA not passing effects them and City Manager Lynch noted that it really doesn't, as it is separate.

ED Hicks noted that the next DDA Board of Directors meeting will be in January, as the December meeting is being cancelled, and Executive Board elections will need to happen. Other dates of note are November 26th – Small Business Saturday; December 6th – Main Street training in Old Town Lansing, focusing on organizational development; December 10th – Holiday Ice Festival; January 26th – DDA Strategic Planning; and April 25th – City Volunteer Appreciation event at the Rust Belt Market (additional information to follow). Hicks then introduced Mat Wagner, Vice President of Revitalization Programs at the National Main Street Center, noting that his visit was made possible by a \$5,000 technical grant from Main Street Oakland County.

#### V. PRESENTATION – MATT WAGNER, NATIONAL MAIN STREET CENTER

Dr. Matt Wagner, VP of Revitalization Programs, NMSC overviewed the refreshed Main Street approach. Dr. Wagner then explained that he reviewed the market analysis done previously by the DDA and the city as part of their Master Plan update, to get at the heart of interpreting data so that it has meaning. As part of the discussion, he overviewed methodology and background and discussed the need for targeted strategic programming that needs to take place. Much of the discussion focused on identifying existing business clusters and building/layering these business types/categories to expand the consumer market. Possible transformation strategies include the categories of Arts & Entertainment, Health and Wellness/Green Economy and Residential. Ideas for recruitment were also discussed. Dr. Wagner will prepare a report, which will be provided to the Board and Business Development Committee for further direction/action.

#### VI. CALL TO COMMITTEE CHAIRS, BOARD MEMBERS & STAFF

Operations Manager Willcock provided updates/information on Small Business Saturday and the Holiday Ice Festival.

Director Lane announced that he is retiring and will be resigning from the Board.

Director Jacokes noted that the 8th anniversary of Go Comedy is Saturday

Mark McConnell, owner of Twisted Tavern/Red Door requested that the DDA come up with a resolution to Council to request snow removal in the downtown, noting that too many businesses don't take snow removal seriously. McConnell had a conversation with the DPW Director, noting that he's more "cost-based" than "service-based". He also suggested that the new parking system could help off-set costs. McConnell also expressed concern with the Rust Belt Market and private parking, explaining that all the businesses owners on his block are concerned that the Rust Belt secures private parking during peak hours with reserved parking and this is hurting most of them during certain hours. Finally, McConnell would like to see more promotion of the downtown area via social media, helping to better brand Downtown Ferndale as a great destination and create more foot traffic.

Director Cupples inquired as to whether it was the Rust Belt or the event holder that reserves the parking.

#### VI. ADJOURNMENT

Motion by Director Lane, seconded by Director McMillan to adjourn meeting. All Ayes, meeting adjourned at 9:54 a.m.

## **Consent Agenda**

Sample Motions:

A. To approve the consent agenda in its entirety.B. To approve the consent agenda, excluding Items \_\_\_\_\_(Letter/Letter & Number) \_\_\_\_\_.

Staff reports are presented to the DDA Board of Directors at their regular meetings each month. Staff report is a summary of activities for the previous month and is not intended to be all-inclusive.

### **Committee Summaries**

#### Business Development

- Retention Program the committee is working with the City's Communication Staff to create a
  fact sheet on the proposed parking deck. Approximately 60 businesses and property owners will
  be reached out to for face-to-face meetings to gain input and provide information about the
  proposed project.
- Small/Local Business Events the Business Development Committee is working on developing a series of "shop small" based events similar to the American Express Small Business Saturday event. The focus will be on different sectors based on the business development report we received from the National Main Street Program, such as Health and Wellness based businesses to start.

#### **Promotions**

- Has begun 2017 event planning process to assist Business Development Committee on developing the shop small/local based events
- Art of the Cocktail and Get Reel Movies are in the initial phases of development for 2017
- Staff is working with local media outlets on parking mitigation
- eNews will continue in February (discontinued in August of last year due to consultant/staffing issues) and will feature a new business every month in the Business Spotlight. Information about parking will either be disseminated through this outlet or through another to-bedeveloped outlet

#### Design

- 2017 Goals and Objectives were discussed:
  - o Build Grant continue to refine and develop guidelines for applicants
  - Art/Design Guidelines address the continued growth of private property owners/business owners investment in art; develop principals and work with other community organizations like
  - Design Guidelines/Codes with the assistance of the Community and Economic
    Development Department, the committee would like to develop the design guidelines in
    to enforceable ordinances.

### Informational Items

#### Outreach

- Business visits: Art Van Pure Sleep, Wolf River Development, Mejishi, Premier Care Pharmacy, Fern & Dale's, Rouge, High Hat, Rust Belt Market, Detroit Grooming Co., Modern Natural Baby, Level One Bank, Ferndale Collision, Easy Like Sundae; \*potential new businesses, Hair Missus, Alchemy
- Partner Meetings: City of Ferndale, Ferndale Chamber of Commerce, Ferndale Public Schools,
   Oakland County, Ferndale Area District Library, Ferndale Art and Cultural Commission

#### Property & Business Development

- Save-A-Lot site Demolition of the former grocery store is complete. The developer will be
  redeveloping Schiffer Park (adjacent to the project) and a design has been completed by the
  City's consultants. It is proposed that there will be 90 residential units with some office/retail
  on the first floor. Schiffer Park will have movable seating, a water feature, and more greenery
  than was preciously there.
- East Nine Mile Residential Apartment Complex (block north of Credit Union One on Nine Mile) Wolf River Development has been approved by the Appearance Review Commission and is waiting on final approval from City Council for the construction of 100 new, market rate residential housing units. The project cost is estimated at approximately \$16 million and is waiting on approval of Brownfield Credits estimated to be worth \$2.6 million. Anticipated construction should begin in the spring/summer of 2017. The completion date is TBD.
- Former DDA Office Clean Plates is renovating the space in to a healthy take-out eatery.
- Church site to be a mixed-use development by Northstar Properties; the Planning Commission and City Council have approved the demolition of a building on the far west side of the property and a new structure will be built in its place with residential units as part of the renovation of the property.

#### New Businesses/Expansions/Retention

- New Businesses Otus Supply, Co., Maestro's Doghouse
- Anticipated New Businesses Clean Plates
- Old House next to Hungry Howie's has been demolished and construction is ongoing. The
  developer indicated it will be retail on the first floor and offices on the second.

#### Administrative

- The Executive Director has been evaluating staff development opportunities which will include training and conferences. Currently, there is a promotions training in February 2017 the Operations Manager will attend and the National Main Street Conference May that all staff will attend.
- We have hired a new employee! Please welcome our new Administrative Assistant Torri Buback
- The Executive Director is working with Main Street Oakland County and the Downtown Detroit Partnership on how to implement a Business Improvement District; This may be a solution to provide supplemental services such as snow removal or improved trash removal services.

Re: 2017-18 Executive Committee Positions

In accordance with the Ferndale DDA By-Laws, the Executive Committee is comprised of the Chair, Vice-Chair, Treasurer, and Secretary and must be elected every other year. Each current member of the Executive Committee has completed a two-year term and is eligible to be elected for one more two-year term.

Whomever is elected to any position will be placed on the Executive Committee beginning now (January 2017) and their term shall expire in two years (January 2019).

#### The current officers are:

- Dean Bach, Chair
- Chris Johnston, Vice-Chair
- Jacki Smith, Treasurer
- Mindy Cupples, Secretary

#### **Recommended Action**

The DDA Board must make nominations for each position. This can be done individually for each position by one or more board members, or a board member may make nominations and a motion to elect all four of the positions at once, or any combination thereof.

Re: 2017 DDA Strategic Planning

What: 2017 Strategic Planning

When: Thursday, January 26th, 2017 @ 6pm

Where: Ferndale Area District Library

222 E. Nine Mile Road, Ferndale, MI 48220

We will be reviewing the 2016 One-Page Strategic Planning document in preparation for the January 26<sup>th</sup> meeting. Members of the Executive Committee have reviewed the plan and given feedback on several items.

#### Things to do different in 2017:

- Have more time for audience participation
  - o Similar to City Council meetings (Limit comments to 3 minutes per person)
  - Hold in middle of Planning Session so that the audience has some information to digest before speaking
- Quarterly Updates
  - o Provide One-Page Plan each month to DDA Board in packet to keep it relevant
  - o Provide quarterly feedback on "Rocks & Accountability" items
  - Provide more in-depth quarterly updates from each committee

We will review the S.W.O.T. analysis (Strengths, Opportunities, Weaknesses, and Threats) and set Quarterly Priorities during the Strategic Planning Session.

#### Considerations:

- Program Vester Street redesign and infrastructure in to three (3) year budget outlook
- Parking Mitigation assist businesses and provide resources
  - o Retention visits and outreach
  - Events

- Valet services
- o Shuttle
- o Employee education
- o Owner resource guides/opportunities
- o Public art
- City of Ferndale Master Land Use Plan:
  - Walkability/From-Based Codes or Design Guidelines become codified
  - o Continue utilizing the "fee-in-lieu-of-parking" provisions
  - o Business Attraction/Retention Efforts
  - o Promote resident and local business oriented events
  - o Promote opportunities for pop-up businesses
  - o Increase daytime traffic by increasing residential and office development
  - o Engage local artists and encourage local art
  - o Explore opportunities for open-space/event-space in downtown
  - o Investigate and gauge interest in starting a Business Improvement Zone (BIZ)

**Re:** Upcoming Budget Item – Parking Mitigation

The Executive Director has been in communication with the City Manager's Office regarding the upcoming construction of the downtown parking structure. During the next two (2) fiscal years, the DDA will be responsible for several activities which involve public outreach, alternative parking services, and education programs. While a parking mitigation plan is being worked on at this time, there are some items which will likely involve some costs to be supported by the City, the Parking Fund, and the DDA. The City and Parking Fund will be primarily responsible for the cost of construction, including bond and debt repayment.

The DDA will be partially responsible for the cost of some services such as providing alternative parking locations which may include shuttle or valet services. Other costs may come in the form of marketing, speakers and presentation series, and public outreach to assist business owners during construction.

A cost estimate is being prepared by the City as we go through the FY17-18 budget cycle. The City has asked that we anticipate contributing approximately \$50,000 per year for the next two (2) years to assist with parking mitigation services. This is a preliminary estimate and more information will be available as we move through the parking mitigation process and in to the next fiscal year. Currently, the DDA has approximately \$667,000 in unencumbered savings. The financial resources needed will be reserved from these savings and will show up in your proposed budget for the next fiscal year during your March 2017 Regular Board Meeting.

Additionally, the Assistant City Manager and representatives from Fusco, Shaffer & Pappas, Inc., the architecture firm hired to manage the project, are tentatively scheduled to make a presentation during the DDA March Board meeting to provide project updates.
